# Prepare for and Take your Exam

Ensure you have all the tools and resources needed to properly prepare for the exam. ISACA's exam guides will provide you with information on how to schedule and reschedule your exam, take the exam, view your results and more.

### **Certificates**

For ISACA certificate exams view the Certificate Exam Guide.

ISACA certificates do not have a CPE requirement to maintain, and there is no application process to receive your certificate.

### Certifications

For ISACA certification exams view the Exam Candidate Guide.

To become an ISACA certified individual there are additional steps to complete and CPEs required to maintain your certification status. Please review the "Become Certified" section to learn more.

Important Note: Candidates have 365-day eligibility period to take their exam. From the date of your exam purchase, you have 1-year to take the exam. Exams not taken within this eligibility period will result in forfeiture of fees. We recommend you complete the purchase of the exam as soon as you receive the discount code, scheduling your exam is not required at the time of purchase.

## Become Certified

Taking and passing an ISACA certification exam is just the first step in joining the ISACA certified elite group of professionals.

To complete your certification, an individual must also submit an application to demonstrate the experience requirements, adhere to the Code of Professional Ethics and Adhere to the Continuing Professional Education Program.

For additional information, see the Exam Candidate Guide.

fuel your success.

## Knowledge

Gain epert insight, tools and guidance through our FREE or member-discounted white papers, books, webinars, virtual summits and more.

Visit www.isaca.org/membership for all the details or join ISACA today https://www.isaca.org/membership/join-now.

# Maintain your Certification

The goal of the continuing professional education (CPE) policy is to ensure that all certified individuals maintain an adequate level of current knowledge and proficiency in the field. This proves to your peers and external and internal stakeholders that your skills and knowledge are always up to date and relevant.

If you hold an ISACA certification, the CPE from this course will be automatically added to your ISACA account.

Apply your CPE for a course to your ISACA Certification(s) at: <a href="https://next.isaca.org/myisaca/managecpe">https://next.isaca.org/myisaca/managecpe</a>

How to earn CPEs: <a href="https://www.isaca.org/credentialing/how-to-earn-cpe">https://www.isaca.org/credentialing/how-to-earn-cpe</a>

Read our CPE Policy: <a href="https://www.isaca.org/credentialing/how-to-earn-cpe#cpe-policy">https://www.isaca.org/credentialing/how-to-earn-cpe#cpe-policy</a>

You can manage and report your CPEs in your ISACA account.

Download your CPE certificate: <a href="https://next.isaca.org/myisaca/cpecertificates">https://next.isaca.org/myisaca/cpecertificates</a>
